QUALCOMM

They are what they claim to be. They say they're trial lawyers, and they are. You can depend on the fact that these guys will have been in the courtroom multiple times.

Don Rosenberg

Executive Vice President and General Counsel

GOOGLE

We have had great victories together.

Catherine Lacavera
Head of Litigation

IAC

IAC looks to Quinn Emanuel for major litigation more than any other law firm, particularly in the IP area. The firm has deep talent at both the partner and associate levels. QE lawyers don't waste time, are strategic and practical thinkers, know how to try cases, and get us great results.

Ed Ferguson
Vice President and Associate General Counsel

MBIA

The lawyers at Quinn Emanuel have outstanding skill, experience and expertise plus the ability to bridge legal and business considerations in crafting strategies and solutions. We consider them to be among our 'go to' litigators.

Mitchell Sonkin
Executive Vice President and Chief Portfolio Officer

CISCO SYSTEMS, INC.

Our experience is that Quinn attorneys are skillful and effective advocates who can navigate strategically through a matter to drive it to early and favorable resolution, including early dismissals in a number of our cases.

Mallun Yen
Former Vice President, Worldwide Intellectual Property

DEREK QUINLAN'S PRIVATE OFFICE

Quinn Emanuel has given us sterling service in an intense period of litigation lasting for several years... There have been a huge number of firms involved for the various parties in this litigation. Quinn Emanuel has outperformed all of them. We could not have had a better team advising us.

Gerry Murphy
Head of Derek Quinlan's Private Office

**ABC LEARNING CENTRES LTD AND LEND LEASE
CORPORATION LTD**

For the better part of a decade public companies I have been involved with have relied on [Quinn Emanuel partners] Michael Mills and Michelle Fox for some of our most important litigation, insurance advice and dispute resolution issues in Australia and the USA.

David Ryan AO
